This charcoal deep pore facial is our most detoxifying and brightening facial. It removes toxins from the skin's surface right down to deep in the pores and hydrates to produce a dewy, radiant skin.

Activated charcoal is one of the most effective purifying elements in the world, able to absorb hundreds of times its weight in organic toxins, chemicals and day-to-day environmental stresses our skins may be exposed to.

This facial uses black charcoal foam and charcoal masks, making it the next level in deep cleaning, clarifying and brightening for the skin.
